

Data Request Application

The Joint Consortium for School Health and the Propel Centre for Population Health Impact at the University of Waterloo have taken great care to protect the identity of the participants and schools using the Healthy School Planner and to safeguard the confidentiality of the information that these participants and schools have provided. Submission of this application form indicates your request for an aggregate report for a school board/district. You will need to seek approval from the superintendent (or delegate) of the school board/district before submitting your request. When approved, a staff member from Propel will make arrangements for providing the report you have requested.

Instructions: This 2 page form can be completed electronically or printed and manually filled out.

Completing the form electronically: Fill out the form electronically (including electronic signature), save the form to your computer and email to the Propel project manager (email address below).

Completing the form manually: Print the form, fill out manually and then mail, fax or scan (to email) the form to the Propel project manager (address, fax number and email address below).
